Dear PEACE church family,

"Glory to God in the highest, and on earth peace, good will toward all" (Luke 2:14)

As God's people we have this message to joyfully receive and declare: **"unto us a Savior has been born in Bethlehem!"** A Savior of **"great power and glory"** the Bible says; the King of kings and Lord of lords, who so loves us that He left all the riches and splendor of heaven to enter into our world of pain and suffering and warring. But no matter what befalls, this is always the Good News to be heard and shared in the midst of life's harsh winters

and barren wildernesses.

"Heaven and earth may pass away," but God's Word and His presence will last forever. Let **"Immanuel—God with us!"** be that name and that promise that is our sure and certain comfort, in this life and in the life to come. To God be all glory, power, and dominion forever and ever!
Amen.

Merry Christmas and a Happy New Year!

Finance and Stewardship Update

As of the end of October our expenses have exceeded our income by approximately \$30,000 and we have needed to use our reserves to be able to meet our obligations.

Although Stewardship letters with Time and Talent sheets and Estimate of Giving cards were mailed out to the entire congregation, 27 Time and Talent sheets and 60 Estimate of Giving cards were

returned and for that we are thankful. If you've not already done so, please prayerfully consider your estimated donations for 2024 and return your information to the church. Please pray and ask God how to use you for the ministry of this church.

Respectfully submitted,
Ernie Kabath

Peace Church History: The Construction

On September 1, 1987, it was voted to acquire the property on Cove Road. A Building Committee was formed with Chairman Clarence Blocker and members: Carl Brodka, Peg Dalva, Gary Dillard, Hap Hulick, Bill Scott and Frank Sweeten. At the Presbytery meeting on September 29-30 Presbytery approved our charter and the selected property at Cove Road, thus allowing the purchase of said property.

1988: This was the year of growing and preparation for the new church. The fundraising was successful enough to start planning the new church building. At a Finance Meeting discussing the finance of the new Church, we were short on funds and Charles Burg got up, asking what was needed and pledged the amount of \$ 200,000 for the Education Building, which now carries his and wife Norine's name. The building cost ran \$997,000 of which \$500,000 was raised from the members.

June 88: Session approved the sight plan and the architect for the new site. Later in 1988 the session agreed on the Building Committee's recommendation to have Mosely & Son Construction Co. as our Building Contractor. April of 1989: ground clearing and leveling began for the Sanctuary & Education/Office Building and for Peace Church in May 1989. All of this was video recorded by Charter Member Garry Meyer, including the dedication ceremony held at the site.

Tremendous work by the Building Comm. with weekly meetings and many changes

had to be addressed. During construction the irregular roof trusses caused some problems as did the framing of both the Cross and the round Presbyterian Window. There were two separate Committees overseeing the construction. The Building Committee under chair, Clarence Blocker, and the Memorial Committee for donations of all kinds (All Windows, all Pews etc.). See all the plaques on the Pews and on the windows.

On Sunday 10/29/89 the temporary church at Cove Center was closed and the first church service & dedication of the Education Bldg. was held and then, in late December the sanctuary received its C.O. for our first service was held in early January 1990.

Garry Meyer, one of the last founding members, was involved from the very beginning in our Church audio system & taped ministries program - and he still is involved with our live streaming on YouTube: Thank you Garry.
