May 24, 2021

Dear Friends,

We hope this letter finds you safe and well. Over the last fifteen months we have been working very hard trying to resume getting back to our normal worship service. From the beginning we have been following the CDC, Florida Department of Health and Presbytery's guidelines on resuming worship. At our Session meeting of May 18<sup>th</sup>, the Session decided to open the church without restrictions on Sunday June 6<sup>th</sup>. There will be no restrictions however per CDC recommendations, we do recommend that if you have not been vaccinated that you continue to wear your masks so that we can maintain keeping all of our parishioner's safe, masking will be optional for vaccinated members. We will continue to have our virtual services available on line. We will also continue to use the communion pods for the next several months and then we will re-evaluate whether or not to go back to our traditional way of receiving the elements. The pods will still be available for pick up at the church office for those who do not feel comfortable returning to church.

Be safe. God Bless

Diane Hochstuhl  
Worship Chair
