

LOVE AND HOPE IN ACTION

January 2014

Happy New Year to all our LAHIA friends!

You are receiving this letter because you donated in some way to LAHIA in the past and we are grateful beyond words. As we continue to serve out of the Salerno Road facility, we often catch ourselves being surprised at how far God has brought this ministry over the last 6½ years. We thank you for your compassion and for responding to His prompting to do your part in helping make all this possible.

Three meals a day

It is no surprise that 2013 has been a year full of challenges and blessings at LAHIA. We have hit some lows, both financially and emotionally, but continue to be amazed and encouraged as we watch how God orchestrates the fulfillment of our every need at just the right time. There are multiple instances of a need being met just moments after the words were spoken regarding a particular need. We love what we do and the blessings experienced daily never get old!

Kitchen supplies

We trust that you will continue to partner with us again this year as we move forward to expand our services to even more folks with dire physical, social and health needs, as well as a very real need for our loving Savior's forgiveness and grace.

Please pray with us that we remain humble and compassionate as we strive to be the hands and feet of Jesus to our community. As always, all gifts are tax deductible and a receipt will be provided.

Faithful volunteers

God bless every area of your life this New Year!
