MEMBERS FRIENDS AND GUESTS OF PEACE PRESBYTERIAN CHURCH
Summer Road Work and Detour Information

The Martin County Public Works Department will begin replacement work on the Cove Road Box Culvert Bridge in early July.
What this means for our church is that Cove road will be closed between Salerno Bay Manor Nursing Home and Peace Church and a detour will be open through Rocky Point.
The work is expected to last through the end of September.
Copies of the Martin County Public Works
letter and color detour map will be available at the church office.
Please practice the new route on your way to church before July
so that you will be familiar with it
before the road closure.
Please call the church office with any questions.
Thank you, Melanie
